Welcome to DATA Summer School:

As we begin the summer school session, we need to keep a few things in mind. Please read the following before you register and commit to summer school.

There will be no refunds for courses that are unfinished, and there will be no exceptions or extensions for classes. Classes need to be completed in the time allotted and will be disabled at the end of each session.

There will be no extensions for vacations. If you have a vacation planned that will interfere with completion of a course, please do not sign up for the class as the final exams need to be finished on or before the designated dates.

There is an absence maximum of 2, it does not matter if it is excused or unexcused. After 6 tardies, your student will be dropped from the session and no refund will be given.

Again, all classes need to be paid for before your student is able to start.

Please sign below to acknowledge the following:

- 1) We have read the letter regarding the DATA Summer School Policies and Procedures.
- 2) We understand that we are responsible for abiding by all of the requirements it contains.
