

November

A note from administration...

We're already half way done with the first semester of school! Students finished their Q1 classes (2nd, 4th, and 6th period) on October 13th and final grades were posted to Tyler on Wednesday, October 28th. Here are the directions to view them in Tyler: Log in to Tyler, and you will see the grades section. The columns you want to look at are the "T1" (Term grade) and the "S1" (Semester grade). The Term and Semester will be the same IF the instructor did not give a Final Exam ("X1"). If they did, the grade MAY be different as the Semester will include the Final Exam (this semester grade will be the final grade put on the transcript). We will not be sending report cards at the end of each quarter. We will be entering final grades for all 7 of their classes on the transcripts at the end of December.

Now that students have started Q2, they are taking 4 classes (1st, 3rd, 5th, and 7th period), which means that the advisory schedule has changed. Students will now meet with their advisors once a week: every Wednesday at 9:00 AM. We have a few days off this month, so we have noted some important dates on this page.

Please do not hesitate to reach out to your child's teachers or the administrative team if you have any questions or concerns as we approach the end of the semester. You can find our contact information on our school website (datacharter.org) or by clicking [here](#).

Important Dates

November 1: Daylight Saving Time ends (turn your clocks backward one hour at 2:00 AM)

November 3: Election Day (No School)

November 23 & 24: Professional Development (No School)

November 25-27: Thanksgiving Break (No School)

Access to School-Based Health Centers

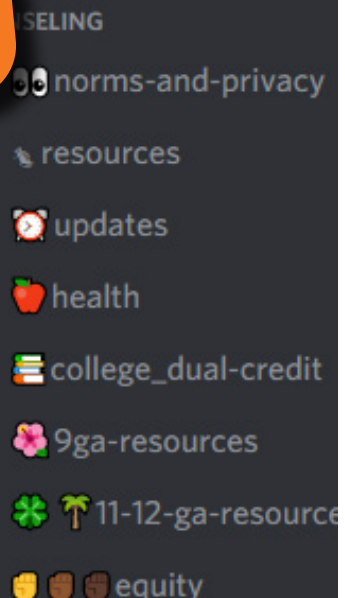

During distance learning, ALL APS and APS charter school students can now be seen at any of the 11 school based health centers (grade level

appropriate). Students do not need a referral for confidential behavioral or health services, however they will need to call to make an appointment.

[Click here](#) for site locations, site contact information, and services provided.

Data Counseling Channel

We are often times presented with various opportunities and resources throughout the semester that don't make it on to our monthly newsletter. Remember that you can find up-to-date resources in our Counseling Channel in our Discord Dragon Lair! Just scroll toward the bottom until you see these wonderful resources!

Dial-a-Teacher Tutoring

Any and all students from around the region, state, and country are welcome to call Dial-a-Teacher for personalized tutoring support at home. Dial-a-Teacher is organized by the Albuquerque Teachers Federation and sponsored by Sandia National Labs, but they accept calls and will help students from ANYWHERE. Please share this useful information with anyone you know! You can find more information on the flyer below:

ABQ Mutual Aid is a coalition of local organizations and individuals working to protect at-risk community members during the COVID-19 emergency in New Mexico.

In an effort to prepare for any uncertainty in November due to Coronavirus, they are holding a food drive. Their goal is to support the community by distributing food boxes with adequate supplies to supplement needs for up to a month, rather than a week at a time. If you are in need of a food box, please complete the form at tinyurl.com/abqcarepackage

If you are not in need, but you feel like you can help, please consider making a donation! Being that they run solely off monetary / food donations gifted by generous community, your continued support during this time is greatly appreciated.

Donate food/supplies:
Monday-Friday
10:00am – 1:00pm
1002A Park Avenue SW, 87102 (pink building next to Red Planet comic book shop)

Donate via Paypal: <https://www.paypal.me/abqmutualaid>

To volunteer, email: volunteerabqmutualaid@gmail.com

Parent Calls
Welcome Too!
Monday-Thursday
5:30 to 8:00 PM
