Also, they are getting ready to send out the Next Step Plans to parents and students for completion. One of the special ed teachers will also be part of this. Math has been a problem at DATA, and Making Math Moments will involve a multiyear commitment to ensure that DATA is doing what is necessary in the classroom, so the students are more

engaged. To help cover the cost, DATA will apply for a New Mexico HQIM (High Quality Instructional Materials) Implementation Grant, which covers Math and Science.

➤ **Community Input for 2026-27 Budget**

Ms. Myhre said she sent this out and asked for community input. She received only one response, thanking DATA staff for all they did for the students.

➤ **2026-27 Calendar, Budget & Salary Schedules**

Ms. Myhre said she is finishing up the Ed Plan, and she and Ms. Rael have worked on the calendar. She then discussed the FY27 calendar details, including the fact that it will have 160 days - which is one day less than this year.
